History

The Clinton LumberKings joined the Prospect League ahead of the 2021 Season. Formerly, they joined the Midwest League for its inaugural sea-

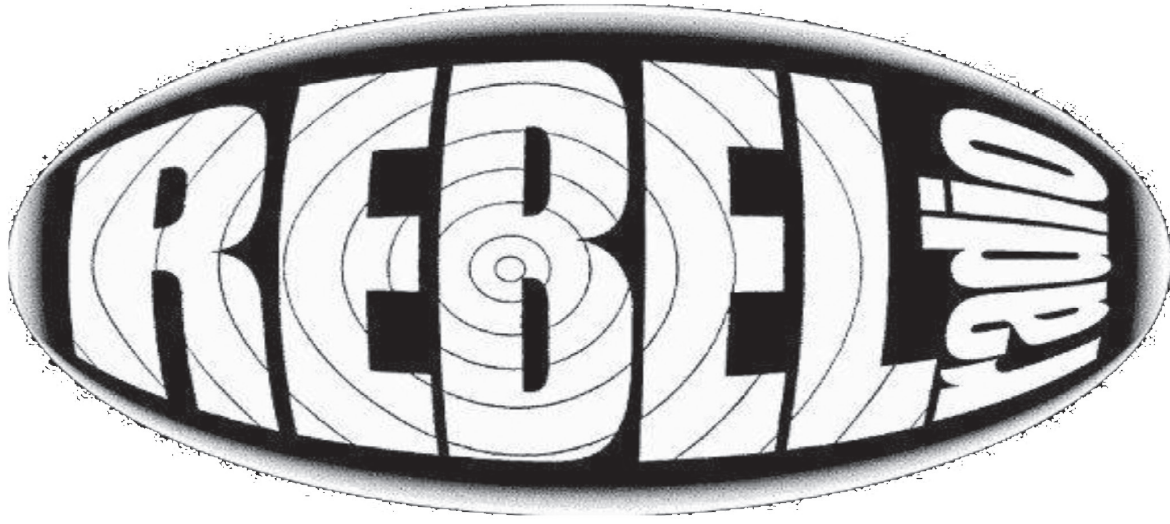

son in 1954, then known as the Mississippi-Ohio Valley League, but professional baseball in Clinton, Iowa owns even deeper roots. The current home of the LumberKings was built in 1937 as a project of the Works Progress Administration for an estimated cost of \$150,000 and was played on and off again until 1954. Since joining their current league, the LumberKings had won two Midwest League championships, 1963 and 1991, and seen over 280 players graduated to the Major Leagues.

The reason for the LumberKings longevity in the Clinton community has been the community's ownership of the club. The team is run by board members and an executive board which has kept the team in Clinton while other teams have been moved to larger markets.

Dating back to 1937, the team had been affiliated with 16 different Major League franchises; beginning an affiliation with the Miami Marlins in 2019. The LumberKings now are proud to be a part of the Prospect League and look forward to keeping baseball in Clinton.

Purchase tickets online, by phone at (563) 242-0727, or drop by the ballpark and meet one of our Front Office staff. The LumberKings Front Office is open 10 a.m. to 5 p.m Monday - Friday. Fans 5 (five) and under get in admission free. Box seats are \$10, General Admission tickets are \$9 (\$8 for students, seniors, and military). Gates open an hour and half prior to first pitch. Fans who purchase tickets in advance of game day receive a \$1 discount.

COLLINS & JOYCE

RICH RENIK, SR

Born/raised: Chicago, Illinois

Education: Associate Degree, Electronic Communications; DeVry Technical Institute

First Job: The Egg Store (Chicago), at thirteen years old, doing anything they wanted. And, learning to do it well.

First job in radio/salary: KFAR-AM 660, Fairbanks, Alaska. \$3.00 / hour (1968), while serving in the U.S. Army.

Favorite music: All Genres.... except Opera. That one actually hurts.

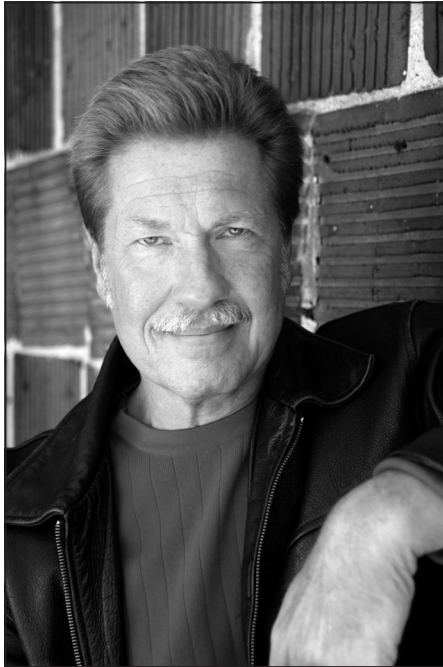

Favorite sports teams: I don't enthusiastically follow any sports teams, but favor the Chicago White Sox, and Blackhawks. Because, I worked with Bill Veeck (former White Sox Owner), and have Frank Pellico (Blackhawks organist) as a long-time personal friend.,

Favorite food: Anything that I cook. I couldn't identify one, because they don't have names yet.

Favorite Movies: The Day The Earth Stood Still (1951). The 2008 version was not only embarrassing, but incredibly stupid. It should never have carried that title because it was NOT a remake.

Favorite subjects in school: Algebra, Drafting and Electrical Shop.

People who taught you the most: Life: Uncle Sam (U.S. Army)

Radio: Bob Pittman (while at NBC's 670 WMAQ-AM)

One thing you can't stand: People with no sense of humor. Some people lack the ability to laugh at themselves. That's where I come in.

What makes good radio personality: Know the demographics of your audience, and relate to them - not what you think will be interesting. And, don't try to be funny, but find humor in your content and delivery.

Toughest decisions as radio personality: Deciding if one of your listeners may be offended by what you might say.

Have you embraced new technology in radio: Absolutely! Either adapt or leave the business. The mechanics of commercial radio haven't changed since its inception, but the manner in which it's technically delivered certainly has.

Best advice you've gotten: Whenever possible, deliver your information in a positive manner. If the weather forecast calls for partly cloudy skies, it's also true that it will be partly sunny. People mainly turn to radio to "feel good".

Three words that describe you best: Risk Is Okay

One thing you are afraid of: Unintentionally hurting

someone

I never leave home without it: The goal of "making a difference".

Hobbies: SCUBA Diving, Sky Diving, Musician (accordion, keyboards, melodica), Motorcycle riding, Cooking, Production (music, voice overs, video).
